Please remember that we have about 2 weeks of class before another round of exams (Algebra I, Biology, US History). Then, we will begin AP testing with a record number of students taking exams, and exams being given. This will create some disruptions in our schedule. It is vital that over the next 2 weeks, students work hard in class to maximize their grade, go to tutorials, and/or retest. Students will have limited chances after that point to bring up their grade. Also, it is more important than ever for all students to be in attendance from now until the end of school. It is fast moving and hard to overcome absences at this point. It is hard to believe that the year is coming to a quick close. We want all of our students to end on a positive note. Thank you for all your help and support.

*Students who missed the Sr. Meeting on Thursday, will need to see their AP to attend a makeup on Monday or Tuesday during 7th period or afterschool. Meeting must be made up to receive Prom ticket.

Finish Strong

Video: <https://safeshare.tv/x/FCeQMGTcsG>

Cavalier Challenge: We are well into the 4th quarter of the school year. This is the time of the year where we all start getting eager for summer but we cannot quit or let up when the year is still in play. What boxer lets up in the final round? What runner goes slower when they see the finish line? This is the time dig deep. It is a matter of will; of choice. You can finish strong no matter what the choices have been in the past. Choose to be better, choose to put in all the energy to finish strong.
