The November 5th CISD Bond Referendum includes projects to address major renovation needs at campuses across the District. They include HVAC and roof replacements at schools across our high school feeder zones as well as

- Phase 2 of the Conroe High School Master Plan that will combine all six buildings into one and reduce over 100 entrances and
- An overhaul to the plumbing, electrical and mechanical systems at Oak Ridge High School.

To view the full list of campus renovations projects and learn more about the November 2019 Bond Election, please visit, www.conroeisd.net/bond or visit our Facebook page at @CISDBond2019.

The annual CISD College Fair will be held on **Monday, October 7th** from 6:30 to 8:30 pm at the Lone Star Convention Center. This is an amazing opportunity for CISD students and parents to get information concerning college admissions straight from the colleges themselves. I will send more information about parking and who is attending closer to the deadline; no cost or registration required. The fair is at Lone Star Convention Center (not Lone Star College) at 9055 Airport Road in Conroe. Any grade level student can attend, but it is designed predominately for juniors and seniors. Approximately 150-200 colleges will be present. A list of colleges scheduled to appear will be sent out closer to the date. -Ms. Creel

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

Safety is the upmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

COMMENDED STUDENT IN THE 2020 NATIONAL MERIT SCHOLARSHIP PROGRAM

The Principal, Dr. Mark Murrell, of The Woodlands College Park High School announced today that the following students have been named Commended Students in the 2020 National Merit Scholarship Program. A *Letter of Commendation* from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the Principal to these scholastically talented seniors.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2020 competition for National Merit Scholarship award, Commended Students placed among the top 50,000 scorers of more than 1.5 million students who entered the 2020 competition by taking the 2018 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). "Those being named Commended Students have demonstrated outstanding potential for academic success," commented a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success."
