We are so excited to announce that our Conroe ISD Annual Junior Jumpstart Event will be taking place on **March 30th, 2022** at The Woodlands High School from

6:30pm-8:30pm. This is a long standing district wide program that is for juniors and their parents. Again, this program is a CISD program being held at TWHS. At this time the program is in person and we are excited to let you know who our presenters will be in the coming weeks.

Junior Jumpstart is an evening event that provides topics to juniors and their families about college admissions, military, and workforce opportunities for students.

It is our annual way to kick off senior year in a strong way!

Each session is hosted by a college representative who is an expert in that specific field. In the past we have offered sessions on applying to college as an athlete, applying to fine arts programs, college 101 for first time parents, transferring from 2 year to 4 year colleges, financial aid, applying to selective schools, applying to engineering programs, and many more. The representatives will be speaking about the topic not their school.

Typically there are between 20-30 different sessions to choose from! It's an awesome event and we encourage you to attend.

We will let you know the topic sessions and presenters over the next month or so, but please put **3/30/22 @ TWHS from 6:30-8:30** on your calendar.

This is an event that is open to all juniors and their parents, and we encourage that you decide which sessions work best for you prior to that night. We highly suggest parents and students split and attend different sessions if there are two offered at the same time.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

Texas Torque achieved success at our first competition of the season in Waco!

We ended the qualification rounds as the fourth-ranked team and finished the competition as an alliance captain that advanced to the finals.

The performance of our Chairman's team earned us the opportunity to contend at the District Champs in April and helped bring home the Engineering Inspiration Award.

Shreyas, our team's robot driver and Safety Captain, as well our business lead, Macy, received the Safety Star of the Day for their commitment to maintaining a safe work environment for everyone.

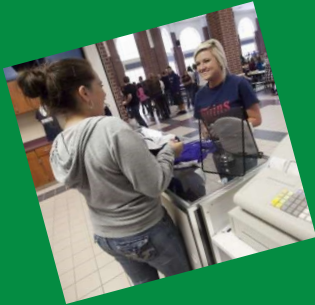

Texas Torque is now the third-ranked FIRST Robotics Competition (FRC) team in Texas because of our hardworking team members working tirelessly around the clock.

Congratulations!

On March 14, members of the Cavalier Choir, accompanied by Directors Erin Bodhaine and Kent Doerries, as well as Dr Murrell and nine parent chaperones, traveled to sunny Orlando, FL for the Annual Choir Spring Break Trip. Students who participated stayed at Universal’s Cabana Bay Resort and enjoyed fun-filled days and nights at Disney’s Magic Kingdom, Disney’s Hollywood Studios, Universal Studios/Islands of Adventure and Disney’s Animal Kingdom. The highlight of the trip was participating in Disney’s Imagination

Campus Performing Arts Workshop Soundtrack Session. The students worked with a Disney Clinician, with a focus on vocal technique. They enjoyed creating sound effects and performing voice overlay to the music from the movie Tangled. Students then watched a clip of the masterpiece they created. A fun and educational time was had by all - no one wanted Spring Break to come to an end!
