CP won the Houston TD Club 6A Award for Sportsmanship, which is a great representation of our players and football program. The award is determined by the following actions; 1) actions of the team, 2) actions of the coaches and support groups, 3) respect for the American flag, 4) number of personal fouls during a contest, and 5) number of unsportsmanlike fouls during a contest. After each game the officials submit ratings and comments about programs. The data is compiled by a program at the end of the year to help narrow down the teams and then a committee of officials meet and select the winners. We have great kids here at College Park, and have worked hard the past 5 years building a program we can be proud of on and off the field.

We are so excited to announce that our Conroe ISD Annual Junior Jumpstart Event will be taking place on **March 30th, 2022 at The Woodlands High School from 6:30pm-8:30pm.**

This is a long standing district wide program that is for juniors and their parents. Again, this program is a CISD program being held at TWHS. At this time the program is in person and we are excited to let you know who our presenters will be in the coming weeks.

Junior Jumpstart is an evening event that provides topics to juniors and their families about college admissions, military, and workforce opportunities for students.

It is our annual way to kick off senior year in a strong way!

Each session is hosted by a college representative who is an expert in that specific field. In the past we have offered sessions on applying to college as an athlete, applying to fine arts programs, college 101 for first time parents, transferring from 2 year to 4 year colleges, financial aid, applying to selective schools, applying to engineering programs, and many more. The representatives will be speaking about the topic not their school.

Typically there are between 20-30 different sessions to choose from! It's an awesome event and we encourage you to attend.

We will let you know the topic sessions and presenters over the next month or so, but please put **3/30/22 @ TWHS from 6:30-8:30** on your calendar.

This is an event that is open to all juniors and their parents, and we encourage that you decide which sessions work best for you prior to that night. We highly suggest parents and students split and attend different sessions if there are two offered at the same time.

We hope to see you there!!

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

CPHS-SERVANT LEADERSHIP

VIDEO

CAVALIER CHALLENGE:

Authenticity, honoring our potential, and connection are things we can all do. People who truly strive to do these things are inspiring. They can't help it they just are. Your challenge is to focus on these qualities of leadership. Think about your family and friends and pick one person you can encourage and build up. But don't let this be a one-time action, let it be something you do over a period of time. It is amazing how simply practicing the skill of positive words is the first stepping stone to inspiring others to be more than who they think they are. This is leadership.

The Rhythm 'n' Blue Choir traveled to the Dallas area on Feb 25-26 to compete in the North Texas Madrigal and Chamber Choir Festival, which is open to choirs of 32 members or less. The storied history of this signature event began in 1972, when Mary Ann Winden founded the Roosevelt Madrigal Festival with the sole purpose of encouraging quality performances of chamber repertoire in a collaborative atmosphere. Participating in both the competition and post-competition clinics, R'n'B members also enjoyed performances by other competitors, last year's winning Honor Choir and the Award Ceremony. Congratulations to Rhythm 'n' Blue and Mrs Erin Bodhaine for achieving First Division status!
