

# The Woodlands College Park High School

Dear parent of:

STAAR EOC exams are a graduation requirement. All students must meet at least “Approaches Grade Level” standard on **Algebra I, Biology, English I, English II, and US History EOC exams** in order to meet that necessary graduation requirement. We strongly encourage students who have not met at least “Approaches Grade Level” passing standard on STAAR to retest in the summer and attend the Boot Camp program at College Park. If you require more than one subject, two sessions are offered to accommodate your schedule. Please register for Boot Camp and the necessary June STAAR test(s) by visiting the TWCP home page at [twcp.conroeisd.net](http://twcp.conroeisd.net) . **The registration deadline is June 9<sup>th</sup> .**

STAAR EOC Exam	Passing Standard	Your Score
