- School Dress Code is required for the yearbook photo. We reserve the right to decline or change a pose to meet school requirements.

## How do I know which portrait session to choose?

- It depends on your personal preference, however, the majority of our seniors choose a session that includes 2 or 3 personal outfits.
- ALL personal outfit portraits are taken outdoors in natural light. Once you see our gorgeous three acre property, with numerous outdoor set options and styles, you'll understand why we're the #1 senior portrait photographer in The Woodlands!

- Personal photography is **not permitted anywhere** on our property at any time.
- We request that everyone put their phones away (indoors + outdoors) and enjoy the moment. It is distracting to both the photographer and subject, and can also interfere with our equipment.
