## General School Information/Policies

### Attendance

Attendance at school is vital for student success. We ask that students be at school each and every day possible. Please schedule trips and other activities on non-school days. If your student has a fever, please keep them at home. Otherwise, we ask that you send them to school. We have a nurse on staff that will evaluate a student's status and let you know if they need to go home. We estimate that a student's average will decrease 1 ½ - 2 pts per absence. The more they attend school the better they will perform. Our goal for the year is to have a 98% attendance rate so we maximize students learning and performance and have them ready for the next year, college, or the work force.

Please understand that if a student misses a day of school (excused or unexcused) it still counts towards the 90% rule and based on the excuse the compulsory attendance rule. If your child has a doctor's appointment, please have them at school prior to the appointment and/or return to school after the appointment and supply a note from the doctor's office, and the absence will count as an HCP (health care provider) and will not count as an absence in any category.

The Texas Education code requires that students attend at least 90% of scheduled school days per semester. The code requires schools to deny credit for students found in violation of this rule. Students will be given an opportunity to regain credit by following a detailed plan outlined by the student's assistant principal. Failure to complete the plan or have additional absences will result in the denial credit. Please know that attendance is taken in each individual class and credit is determined on a class-by-class basis.

In addition, the Compulsory Attendance law allows schools to file charges against a student and/or parent in truancy court for failure to attend school. The law states that students that miss 3 days or parts of days in a 4-week period may be referred to truancy court. Please know that we will review reasons and help develop a plan to remediate future absences. Continual failure to comply will result in the truancy court filing.

Therefore, we need all of our Cavaliers to be at school. We need all Cavaliers to work hard to be here each and every day. We know that attendance at school improves students' grades. We want everyone to perform at the highest possible level and be prepared for the future. Please work hard to be here each day.

### Attendance works:

The best gift you can give your child is a good education. The best place to get that education is in school.

### **Every day, on time.**

- Just a few days here and there, even if they're excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school
- If missing school is unavoidable, talk to your student's teachers in advance to create a plan for making up missed work.

There is a 7-minute passing period between each class.

\* Students will participate in CPHS class for 25 minutes during 5<sup>th</sup> period each week. The purpose of the class is to support the students and provide another opportunity to help them through the high school process. Pep Rallies will occur at the end of the day for home football games and other selected dates during the year.

When school is dismissed, students have 10 minutes to get to their bus, car, activity, tutoring, etc. Students are not allowed in the building unsupervised.

## **Tardy Policy**

The tardy policy for the school year will be posted in the [CPHS Student handbook/Addendum](#) and in all classrooms beginning the first day of school. Students will be informed of the tardy policy as well as other policies and procedures. Please remember that students utilizing personal transportation will be counted tardy or absent if they arrive late to school. Please make sure that you allow additional time on the first few days of school and anytime road conditions may cause delays (weather, special events, etc.).

## **Parent/Student Sign-in/Sign-out**

Visitor sign-in/sign-out will be conducted in the front office of the building. All visitors must have a valid driver's license to enter the building and all visitors will be scanned into our system. Please note that the building is monitored by security cameras.

Students will sign-in/out at the attendance office. If your student needs to be picked-up early from school, please send a note with your student to be turned in to the attendance office as soon as they arrive at school, or call at least one hour ahead of time. This will save you and the school time and effort. Please report to the attendance desk to sign your student in/out. Students may not be released from class the last 25 minutes of the school day. **We will not release students to take an Uber/Lyft to leave the school campus.**

## **Deliveries**

TWCP will not receive any deliveries from any outside source (flowers, food, etc.) for students. No Food deliveries will be accepted for lunches. Deliveries made by parents will be accepted but it is the student's responsibility to check at lunch or between classes for items that have been dropped off. Classes will not be interrupted for the delivery of any item. All items may be dropped off in the front office and will be available for pick-up in the AP office. Students are not allowed to come to the front office during the school day to pick up an item. This is for everyone's safety.

## Grading Policy

College Park has implemented a common grading system throughout the school; we are using a 5-Point Grading System Each class will have assignments and assessments assigned to different categories labeled as Formative and Summative. The two different categories will make up the students grade based on the level of the course and the percentage for each category. Please see below for the category breakdowns for each level.

1. Level classes will be 30% Formative (Daily/homework) and 70% Summative (Major).
2. Honors classes will be 25% Formative and 75% Summative
3. Dual Credit and Advanced Placement classes will be 20% Formative and 80% Summative

All classes will have opportunities for students to work with teachers to improve their grades. Tutoring, peer tutoring, and other instructional strategies may be suggested. Please visit with your students teachers for more information.

College Park has a re-test policy. Teachers will be covering the policy as it pertains to their class. We have adjusted the policy so it is appropriate for the level of the course and meets the needs of the students. Please note that there are various ways to adhere to this policy and each teacher has the individual discretion to how it will work for their class. It is important the each student understand so they can maximize opportunities to perform at a high level in all classes.

<i>AP &amp; Dual Credit</i>	<i>No retest – unless the PLC decides to offer one</i>
<i>Pre-AP &amp; Honors</i>	<i>1 Retest or 1 cumulative 9 weeks exam (replace lowest summative grade)</i>
<i>Level</i>	<i>2 Retests or 1 Retest and 1 cumulative 9 weeks exam (replace lowest summative grade)</i>

## Dress Code (Respect for yourself and others)

We expect students to arrive at school dressed appropriately and ready to learn. We do not want any issue to delay this process. We expect shirts to be of appropriate length so that midriffs and undergarments are not seen. We also expect shorts/pants/skirts/dresses to be of a length to cover all undergarments as well as extend past the length of a student's fingertips.

It is essential that school guidelines be such that an atmosphere of learning is created. It is impractical to list every possibility of dress and grooming. It shall be the responsibility of the professional staff to determine the appropriateness of attire for all school occasions. Dress regulations should discourage the extremes and the fads that may lead to distractions of the educational process. Such regulations will provide appropriate standards for the general appearance of students, foster good physical and mental health, and encourage students in appropriate dress habits. The faculty and the administration will enforce the policy governing dress and grooming uniformly. All students have the responsibility to wear clothing that contributes to their own health and safety as well as those of others. The following policies have been reviewed, enhanced and approved by a Site Based Advisory Committee. Membership on the committee included students, parents, faculty and members of the community. Students are required to be clean and well groomed, and their dress must be modest and non-distracting to everyone in the educational community.

As clarification of the previous policy, the following examples of dress are considered inappropriate:

- Extreme hairstyles (i.e. Mohawks, mulit-colored hair, etc.) and/or styles that are disruptive or distracting to the educational process are prohibited.
- Hats/bandanas/hoods and/or headbands (not used to hold back hair) may not to be worn, by boys or girls, inside the building. Students should not have hats/bandanas in their possession during the school day. If brought into the building, they must be stored in the student's locker or backpack. Hats/Hoods worn in the building will be taken up and can be claimed by the parents or returned to the student at the end of the school day.
- Sunglasses are not to be worn in the building.
- Dog collars and spikes cannot be worn.

- Blouses or shirts of see-through material without appropriate shirt or blouse underneath are not permitted.
- All shirts/blouses must cover the shoulder and fits snug under the arm so undergarments are not exposed.
- Tops exposing midriffs, back area or cleavage are prohibited.
- Clothing with pictures/writing that has a double meaning are prohibited.
- Clothing, badges, and/or tattoos, which display obscenities, sexual innuendo, depict violence or weapons, advertise or promote alcoholic beverages, narcotics, tobacco, or other prohibited substances, or items that could be viewed as offensive to others are not permitted.
- Clothing of any type that is shorter than mid-thigh of the individual, whose clothing is in question, is not permitted. Slits on skirts/dresses may be no higher than mid-thigh length. Holes and/or tears in clothing that falls within the mid-thigh rule is prohibited.
- Spandex clothing and leggings including yoga pants are to be worn with outerwear that is at least mid-thigh in length.
- Chains of any length or size (including wallet chains) are not allowed.
- Shorts can be worn all year. The school administration will review the appropriateness of shorts each nine weeks. If it is deemed that there has been disregard of the dress code guidelines outlined earlier in this policy, the privilege of wearing shorts may be revoked.
- Pants are not to sag inappropriately. Pants must fit at the waist.
- Shoes with wheels, rollerblades, skateboards, or scooters are prohibited.
- All students shall wear shoes for health reasons.
- Body piercing that is distracting is inappropriate for school related activities. Gauging of the ears is not allowed. Piercing of the eyebrows, eyelids, forehead, scalp, cheeks, lips, tongue, chin, or neck is prohibited.
- Sleepwear (pajamas, slippers) is not permitted for school clothing.
- Trench coats, dusters, ponchos, etc. are not allowed to be worn on campus.

The principal (or designee), in conjunction with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity. If the student's dress or grooming is objectionable under these provisions, the principal (or designee) shall request that the student make appropriate corrections.

A minimum of one after school detention will be assigned for a student out of dress code. If the student refuses to correct the dress code violation, the principal (or designee) shall notify the student's parent or legal guardian and request that person make the necessary correction. If both the student and parent or legal guardian refuses, the principal (or designee) may take further appropriate disciplinary action. The student may be suspended for a period of time determined by the principal (or designee) for violations of the dress code. If the dress code violation cannot be corrected immediately, the student may be placed in ISS until the end of the school day or suspended.

Absence from class due to inappropriate dress or grooming will be counted as unexcused. Repeated violations may cause additional appropriate disciplinary action to be taken.

The In-School Suspension (ISS) class has specific dress requirements as part of that disciplinary assignment. Dress parameters are outlined in the Discipline Management section of this publication. Students will be reminded about the requirements at the time of the ISS assignment.

Dress Code regulations for students are in effect for all student activities.

### Electronic Devices

Electronic device use (including cell phones) at College Park High School will be permitted ONLY in the common areas of the campus (hallways, cafeteria, & courtyard); before school; during passing periods, during the student's lunch period; and after school only. **Use of electronic devices in any area of the building during instructional time is strictly prohibited.** Instructional time is defined as the time period between the tardy bell and the dismissal bell for all class periods.

All classrooms will follow a common Electronic Device policy. All classrooms and office areas will have a pocket system in place where all students will keep their electronic devices during class in the off position. This will reduce the distractions in class and provide for a better learning environment for all students. Students must follow the teacher's guidelines in regards to its use and may not use the device for any other purpose during that time period; this would include, but not be limited to texting, phone calls, unauthorized web browsing, and social networks. Use of electronic devices during appropriate times is a privilege. Please cooperate with the policy and staff member if you are not following the policy.

### Self-Advocacy

We strongly encourage students to deal with and solve their own issues. We ask parents and students to first talk with the person closest to the issue (i.e. teacher). Parents/students should then proceed to the Counselor/Assistant Principal and then to the Associate Principal if you feel that the issue is still unresolved.

### Parent Access (PAC)/Electronic Communication

Please take the time to register for a PAC account on the main CISD web page <https://pac.conroeisd.net/> this allows us to e-mail you information periodically to help keep you informed as well as you having access to attendance and grades.
