We have 1 week left in the first grading period. It is hard to believe. Overall, the kids are doing well but we do need some help from our parents to help everything run smooth and transition to the 2nd grading period.

1. **Attendance is a key part.** We have seen a lot of students miss for a variety of reasons. First, their performance is impacted. Second, it impacts our accountability rating which impacts your home value. We need everyone do their part and have their kid at school as much as possible. We should run around 97.5% - 98%. Right now, we are at 95.3% We are on the low end of the high schools.
2. **Focus.** We need our students to focus on what they need to accomplish. This is a time period that kids relax a little and slack off. As we go into the 2nd grading period, it is the beginning of a lot of new material. Effort at this time is a key.
3. **Attitude.** Overall, we are doing great in this area but it is easy to lose. We need to encourage a positive attitude and reward successes.
4. **Cooperation.** We have seen wonderful things this year with our kids and their cooperation. We need kids to continue cooperating with dress code, cell phones being put in caddy's in the classrooms, overall behavior, etc. We will continue to move forward with our goal of being safe on campus and will roll out a new but easy process in January. We will need everyone's help in making sure it is a success as we move to students wearing an ID. It is necessary to access certain areas on campus, lunch, and other items. From a security stand point, it allows us quickly to see who belongs and who does not. We have time but want to start planting the seed. Parents, I am sure most have to wear some kind of badge or identification for work and it would be great to have a conversation about how it helps with security and keeping everyone safe.

We are going to have a great week and end of the grading period and the start of an amazing 2nd grading period.

Parent Help

We need parents, that are driving their kids to school, help us out. We continue to see individuals that try to bypass the line to speed the process up for them. In the end, they pull up and are at a diagonal and blocking both lanes of traffic. This stops everyone. When everyone cooperates, it moves consistently and everyone benefits. Thank you to those that are dropping off early as this really helps the process as well as those that are patient and do what is asked. You are the ones that make a difference.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

VERIFICATION OF ENROLLEMENT (VOE) INFORMATION:

Obtaining a VOE is the responsibility of the student and the student alone. Students will need to request in person, we will no longer be accepting phone/email request for VOE's.

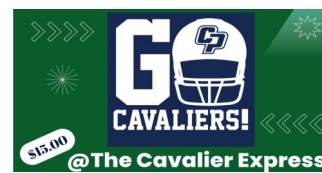

VOE request must be made 24 hours in advance of when they are needed. To obtain a VOE, have your student come to the AP's office and use the iPad to sign in and select Request VOE. Their VOE form will be ready 24 hours later, and the student will need to come to the AP office to pick it up and show a picture ID when doing so. VOE forms cannot and will not be emailed. No exceptions.

Welcome, Students!

Thank you for considering volunteering at The Cynthia Woods Mitchell Pavilion's annual Children's Festival! This year's event is schedule for **Saturday, November 12 (10am-5pm)** and **Sunday, November 13 (12pm-5pm)**. From kite-making and parachute races to art projects and active adventures around the entire venue, there are plenty of opportunities for volunteers to dive into fun throughout the two-day event.

Available Shifts

Saturday, November 12	9am - 1:30pm
Saturday, November 12	1pm - 5pm
Sunday, November 13	11:30am - 5pm

Volunteer Hospitality

As a treat, volunteers have access to the **Volunteer Hospitality Area** where beverages and light snacks are available.

Requirements

All volunteers MUST sign an Authorization and Release of Liability Form. Please note, if a volunteer is under the age 18, a parent and/or guardian must also sign the release form along with the student's signature.

Volunteer Registration

If you, or your group, are interested in volunteering, please follow the link below and fill out the online form (and upload the completed volunteer waiver form). You will soon be contacted by Joan Dieden, Development and Volunteer Coordinator, to finalize your desired shift/dates/times and receive pertinent volunteer information. If you are coming as a group, you may wear your school club/organization's designated shirt.

FRC Team # 7492 - CavBots

The TWCP Cavalier Robotics Team - CavBots participated in the 2022 Robot Remix Competition, an off season event co-hosted at College Park by Texas Torque and CavBots. Their robot had some electrical difficulties, but with team work and perseverance the CavBots placed

14th after qualifying matches. They then won 4 consecutive matches to sweep through quarter-finals and semi-finals matches. In the finals, they came up short and took home 2nd Place overall.

If you would like more information about the CavBot Team, please visit the lab on Monday and Wednesday evenings or email Mr. Jordan (sjordan@conroeisd.net). We are currently accepting new members at this time.
