We are off and going in the 2nd grading period. It is common for students to relax a little at the beginning of this grading period because of the effort they gave at the end of the 1st grading period. Please encourage your student to avoid this let down and work hard at the beginning of the grading period. This grading period goes fast and it is easy to get behind. We have a student holiday on November 8 (election day), the week break at Thanksgiving, and end the grading period 3 weeks later. Usually, grades are almost complete by the Thanksgiving break since semester exams are occur right before the winter break. Work hard and be at school are the keys at this time.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

No Deliveries

LUNCH DROP-OFF POLICY:
 Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

VERIFICATION OF ENROLLEMENT (VOE) INFORMATION:

Obtaining a VOE is the responsibility of the student and the student alone. Students will need to request in person, we will no longer be accepting phone/email request for VOE's.

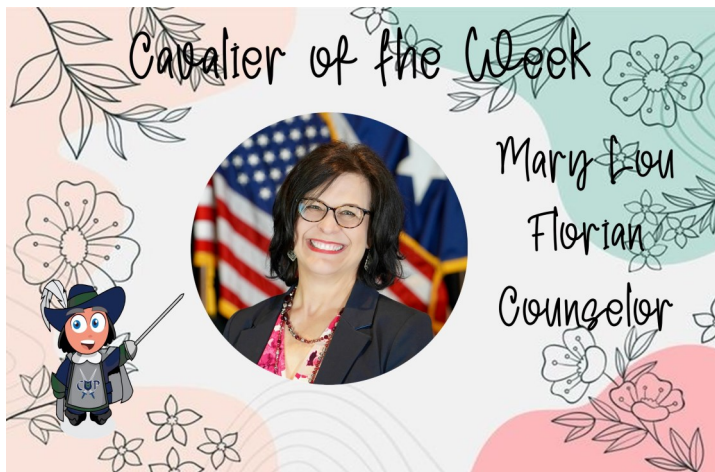

VOE request must be made 24 hours in advance of when they are needed. To obtain a VOE, have your student come to the AP's office and use the iPad to sign in and select Request VOE. Their VOE form will be ready 24 hours later, and the student will need to come to the AP office to pick it up and show a picture ID when doing so. VOE forms cannot and will not be emailed. No exceptions.

For more information, contact Mrs. Cavazos at jlavazos@conroeisd.net
