### Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

### No Deliveries

### LUNCH DROP-OFF POLICY:

Safety is the upmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.
