TICKETS

Each graduate will receive tickets for graduation. We anticipate that each graduate will receive 4 “reserved” tickets. Students will be issued tickets on the bus once they return to College Park from graduation practice. All remaining seats in the pavilion and the lawn will be available for additional seating on a first come, first serve basis. (No ticket required). There are six areas for handicapped seating. Handicapped guests do not need a ticket for these areas, and we ask that only one family member sit in this area if assistance is necessary. Pavilion ushers will be available to escort handicapped guests to their seats. (Other family members may sit in ticketed seats, open pavilion seating or on the hill). Gates open at 6:30 pm

College Park Retirees

We have some very special teachers that are retiring this year.

Thank you!

\$75 at the door

On behalf of the Class of 2023, The Woodlands College Park PTO would like to thank all the families and community business members who donated in support of Grad Night!

Grad night would not be possible without the generous support from parents, families, friends, and businesses. We are happy and grateful you have chosen to give to this worthwhile event and would like to say a big THANK YOU!

The JROTC completed in two competitions this year. They completed in the Marine Corps National Drill Championships in Virginia and the All Service High School National Drill Competition. They complete against all the best teams in both areas in the nation. The All Service captures all the High School Military Academies as well. The following are the results for this year.

Armed Commander – Isabel Martinez – National Champion Marine Corps and National Champion All Service

Color Guard – Nation Champion Marine Corps and Nation Champion All Service

Armed Regulation – 2nd Marine Corps and National Champion All Service

Armed Exhibition – 2nd All Service

Overall – National Champions in both the Marine Corps and All Service – 1st time for this to occur and defending National Champions in All Service

A great accomplishment and very busy year. These are kids that probably do not participate in anything else if we did not have JROTC. It gives them a home and they are great at it.

A wonderful job by our 2 instructors: Lt.Col. Nicole Maury and Sgt.Maj. Chris Combs (the one that started it all)

We are so proud of them and all the accomplishment of our program!!

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

No Deliveries

LUNCH DROP-OFF POLICY:
Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. **There will be NO food deliveries accepted by any outside vendor.** Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

VERIFICATION OF ENROLLMENT (VOE) INFORMATION:

Obtaining a VOE is the responsibility of the student and the student alone. Students will need to request in person, we will no longer be accepting phone/email request for VOE's.

VOE request must be made 24 hours in advance of when they are needed. To obtain a VOE, have your student come to the AP's office and use the iPad to sign in and select Request VOE. Their VOE form will be ready 24 hours later, and the student will need to come to the AP office to pick it up and show a picture ID when doing so. VOE forms cannot and will not be emailed. No exceptions. For more information, contact Mrs. Cavaz-

JAPANFOUNDATION

LAURASIAN
INSTITUTION

Elizabeth Hojo, the Japanese teacher at College Park, is searching for a host family for an assistant teacher (AT) from Japan with the Japanese Language Education Assistant Program ([J-LEAP](#)) for the 2023-2024 school year. **The AT assigned to College Park is a 26-year-old female, who loves watching movies, visiting museums, and enjoys being out in nature.** She is very excited to experience American culture and looks forward to trying American home-cooked meals with her host family.

The AT is not an exchange student, and receives a monthly salary, funded by the Japanese government. As part of the J-LEAP Program requirements, the host school has to find a host family in the CPHS community for the AT to live with as the AT acclimates to life in The Woodlands, TX. The minimal requirements of the host family would be to have an available guest room, a willingness to host the AT and transport her to and from school until she purchases a car, and an openness to share American culture and your family culture.

If you are interested in sharing your culture and being a host family, please contact Elizabeth Hojo (ehojo@conroeisd.net) directly. **The accepted host family will receive a small stipend to help offset costs for meals and utilities. All ATs will be fully vaccinated with 3 doses of the COVID-19 vaccine before starting the J-LEAP Program. Host families should expect to host the AT minimally from her arrival to Houston on July 24th, 2023 until November 30th, 2023.** After November 30th, the AT can continue to reside with the host family if they both agree, or the AT may find another living arrangement on their own. More details will be shared upon interviewing prospective host families! Thank you for your support!!
