Homecoming Dance 2023

The 2023 Homecoming Dance will be on Saturday, September 16 from 8:30 pm-11:30 pm in the TWCP Commons. Tickets are on sale on school cash online now through September 13. Please be sure to pay attention to ticket sales dates and deadlines. Tickets are \$25 each. Access information to school cash online is located on the College Park school website. Those bringing dates from other schools must fill out a date information form attached to the ticket when purchasing on school cash online. Ticket purchases are limited to 2 tickets per student. Everyone must have a photo ID to enter the dance. No one over the age of 20 will be allowed to enter the dance.

Parent Volunteers Needed for HC dance!

We need many parent volunteers to chaperone the Homecoming Dance. Volunteer forms are available in the front office or in Room 3114. Student Council members will receive 50 points of the 200 points it takes to letter in student council if their parent/parents volunteer. Please turn in volunteer forms by Thursday, September 8 to the front office or Room 3114.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

Leadership High School is a dynamic leadership development and community awareness program for high school sophomores and juniors in the Lone Star College service area.

The program offers a curriculum that allows students to recognize and develop personal leadership skills, explore best leadership practices, and learn how to initiate positive change in their community.

The program begins in October with an Orientation and Retreat followed by interactive monthly growth sessions from November to March concluding with a completion celebration in April. These sessions offer students the opportunity to engage in one-on-one discussions with community leaders from diverse backgrounds and industries.

We would like to request your assistance in the recruitment of student participants for the coming year. Three students from your high school will be selected for this unique opportunity and we encourage you to promote the program to all students who will benefit from this type of leadership course. Student participants will be divided into three cohorts based on the geographic location of his/her high school and your high school will be part of Leadership High School-Montgomery County.

To aid in the recruitment efforts of your students, we encourage you to share the informational flyer on your school website, through your campus communication platform to sophomore and junior students and parents and print and distribute on campus. For more information go to LoneStar.edu/Leadership-HighSchool for additional information and to access the online application. One letter of recommendation is required as part of the application process.

The application deadline is September 22, 2023.

OUTSIDE SPORTING EVENTS: As a CISD team, we met to discuss ways to help spectators and kids manage the heat and support the Cavaliers. The following are some adjustments/recommendations that we have made to help everyone stay safe while they support our teams:

1. Event Start times: the following are examples of efforts to adjust times to help with heat. Events begin 1 hour later than planned if possible. Play tennis matches that are necessary, or run/workout early mornings.
2. Examples: We have delayed start times for events as possible to help with heat. Friday nights football game at Cinco Ranch will begin at 7:30 p.m. The next week home game, on Thursday vs. Klein Cain, will begin at 8 p.m.
3. Examples: Tennis has been asked to play the necessary matches only during this time of heat to minimize the time kids and spectators are at the events.
4. Examples: Cross Country is running mainly in the morning.
5. Stay Hydrated – start days prior to an event and then consume a lot of water leading up to the event and during an event.
6. Do not arrive to the event until necessary. Stay in cars or a cool place until it is close to the start time.
7. Find ways to periodically move around, use the restroom and find some shade for a few minutes.
8. Remember that age and health can play a major role in handling the heat. Individuals that have a medical condition, are elderly, or very young should consider staying at home during the events until the weather improves. (Varsity Football games will be broadcasted via radio and home games will be live streamed)

Please remember that stadiums do not allow outside beverages in the facilities but CISD facilities will allow you to bring in an empty container or sealed water bottle into events. You are able to fill/refill at the water fill/water fountain stations at the stadium.
