**Tardy Policy**  
Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

## PERFECT SCORE!!

Zachary Thibodeaux's performance on the AP® Environmental Science Exam in May 2023 was so superior that it falls into an extremely select category.

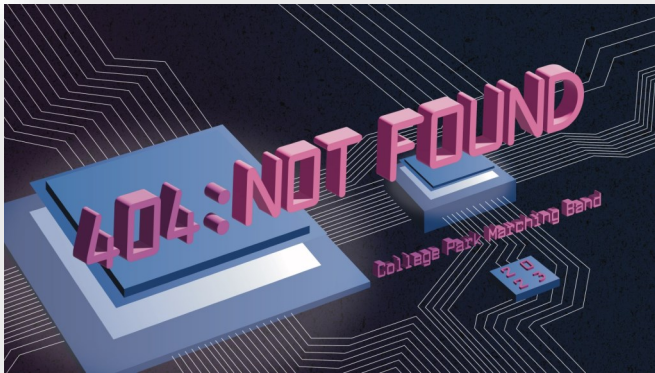

Advanced Placement® Exams are scored on a scale of 1 to 5. You not only received the top score of 5, but you were also the only student (amounting to just 0.0005% of 2023 AP Environmental Science Exam takers) from around the world to earn every point possible on this challenging, college-level examination.

Congratulations, Zachary on this HUGE accomplishment!!
