## VERIFICATION OF ENROLLMENT (VOE) INFORMATION:

Obtaining a VOE is the responsibility of the student and the student alone. VOE request must be made **24 hours in advance** of when they are needed. To obtain a VOE, students will come to the AP's office and use the iPad to sign in and select "Request VOE". Their VOE form will be ready 24 hours later, and the student will need to come to the AP office to pick it up and show a picture ID when doing so. VOE forms cannot and will not be emailed. No exceptions. **For more information, contact Mrs. George at [egeorge@conroeisd.net](mailto:egeorge@conroeisd.net)**

College Park Speech is off to an awesome start after hosting the season opening tournament on September 1st and 2nd. We had around 500 students in attendance and still managed to have a great amount of success competing!

College Park High School Celebrates Students Awarded with Academic Honors from College Board National Recognition Programs Awards recognize high-performing students and help them stand out to colleges.

Students at College Park HS earned academic honors from the College Board National Recognition Programs. These programs celebrate students' hard work in high school and showcase their strong academic performance. The academic honors for rural area, Black, Indigenous, and/or Latino students are an opportunity for students to share their strong academic achievements with colleges and scholarship programs that are seeking to recruit diverse talent.

At College Park HS 36 students received the academic honor.

"We're thrilled to celebrate our students and recognize them for the great work they've been doing. We're proud of their strong academic performance in the classroom and on College Board assessments like the PSAT/NMSQT®, PSAT™ 10, and AP® exams," said Dr. Mark Murrell. "There's so much that makes our students unique, and receiving this honor reinforces this as an asset for their future."

The criteria for eligible students include: GPA of 3.5 or higher. PSAT/NMSQT or PSAT 10 assessment scores that are within the top 10% of assessment takers in each state for each award program or earned a score of 3 or higher on 2 or more AP Exams in 9th and 10th grade. Attend school in a rural area or small town, or identify as African American/Black, Hispanic American/Latino, or Indigenous/Native.

Eligible students are invited to apply on BigFuture during their sophomore or junior year and are awarded at the start of the next school year in time to share their achievements in high school as they plan for the future. At the same time, colleges and organizations using College Board's Student Search Service™ can connect directly with awardees during the recruitment process.

"It's becoming increasingly hard for students to be 'seen' during the college recruitment process. We're exceptionally proud of the National Recognition Programs for celebrating students who are at times overlooked but have shown their outstanding academic abilities," said Tarlin Ray, senior vice president of BigFuture® at College Board. "This is a benefit not only for students but also for colleges and universities

**National Indigenous Award:** Claire Jones, Jasmine Rivera, and Lawton Parrack

**National African American Recognition Award:** Blessing Orji, Johann Quashie, Katelynn Reed, Michael Johnson, Nadia Richard, and Zoe Norman.

**National Hispanic Recognition Award:** Alejandra Boada, Alejandro Escobar, Alicia Caballero, Andrew Waight, Arturo Gonzalez, Aurora Sicre, Braxton Allen Daniella De la Torre, Evan White, Fabiana Vilchez Montilla, Gustavo Luna, Henry Aceves, Isabella Ramirez, Isabella Lopez, Isaiah Becerra, Jacob Pawlik, Kaylin Garcia, Landon Batza, Miranda Ordonez, Natalia Cantu Atkinson, Rafaela Borja Raphaela De Marchi Padovani, Rebecca Garza, Sara Gibbs, Sergio Rodriguez Sofia Esterellas and Sophia Davis.

### Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

### LUNCH DROP-OFF POLICY:

**There will be NO food deliveries accepted by**

**any outside vendor.** Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

Leadership High School is a dynamic leadership development and community awareness program for high school sophomores and juniors in the Lone Star College service area.

The program offers a curriculum that allows students to recognize and develop personal leadership skills, explore best leadership practices, and learn how to initiate positive change in their community.

The program begins in October with an Orientation and Retreat followed by interactive monthly growth sessions from November to March concluding with a completion celebration in April. These sessions offer students the opportunity to engage in one-on-one discussions with community leaders from diverse backgrounds and industries.

We would like to request your assistance in the recruitment of student participants for the coming year. Three students from your high school will be selected for this unique opportunity and we encourage you to promote the program to all students who will benefit from this type of leadership course. Student participants will be divided into three cohorts based on the geographic location of his/her high school and your high school will be part of Leadership High School-Montgomery County.

To aid in the recruitment efforts of your students, we encourage you to share the informational flyer on your school website, through your campus communication platform to sophomore and junior students and parents and print and distribute on campus. For more information go to [LoneStar.edu/Leadership-HighSchool](http://LoneStar.edu/Leadership-HighSchool) for additional information and to access the online application. One letter of recommendation is required as part of the application process.

**The application deadline is September 22, 2023.**

# Cavalier News

Do you enjoy writing? Are you interested in current events? Do you want to contribute to the greater good of the world through storytelling, reporting facts, and getting involved with your community or state?

Joining your high school newspaper may be for you! Newspaper gives students an opportunity to develop their writing skills, and keeps students, staff, and teachers updated on school and community news. Get involved! You'll love it!

Participating in your high school newspaper will improve your writing skills and assist you in developing media and content for your portfolio or resume - something to start thinking about before you graduate from high school! Get involved, start early!

## What Does a High School Newspaper Cover?

What will you pitch to the editors? Though specific topics will vary from organization to organization, most school papers cover topics that affect the school, students, and the surrounding community.

### Common topics that school papers cover include:

*School events - dances, sporting events, pep rallies, and assemblies*

*School news – what's happening in the school and policies*

*Interviews with new students and staff – getting to know your school from the inside out*

*School accomplishments, awards, clubs, and performing groups*

*Community news – the symbiotic relationship with the outside*

*Reviews of movies, music, podcasts, TV shows teenagers watch*

*Study and Lifestyle tips, which classes to take, science advances, robotics, and more...*

*Common Newspaper Jobs (Sarikas, 2015)*

### How to Join Your High School Paper

Most school newspapers have a teacher who supervises the paper. Please contact Jennifer Buergermeister and ask how you can get involved in the journalism program at College Park. You may need to enroll in a high school journalism class to be part of the newspaper depending on your writing experience. All students enrolled in newspaper or other journalism classes will receive academic credit, similar to other classes. The students typically work on the newspaper and writing articles during class, though it is likely students will work on stories outside of class time (especially photojournalism students).

If you are interested in joining Newspaper, Photojournalism, Journalism I, and eventually Yearbook (Yearbook has mandatory prerequisites) in one of the upcoming semesters, consult with your English teacher or email the newspaper adviser, Jennifer Buergermeister at [jbuergermeister@conroeisd.net](mailto:jbuergermeister@conroeisd.net).

**OUTSIDE SPORTING EVENTS:** As a CISD team, we met to discuss ways to help spectators and kids manage the heat and support the Cavaliers. The following are some adjustments/recommendations that we have made to help everyone stay safe while they support our teams:

1. Event Start times: the following are examples of efforts to adjust times to help with heat. Events begin 1 hour later than planned if possible. Play tennis matches that are necessary, or run/workout early mornings.
2. Examples: We have delayed start times for events as possible to help with heat. Friday nights football game at Cinco Ranch will begin at 7:30 p.m. The next week home game, on Thursday vs. Klein Cain, will begin at 8 p.m.
3. Examples: Tennis has been asked to play the necessary matches only during this time of heat to minimize the time kids and spectators are at the events.
4. Examples: Cross Country is running mainly in the morning.
5. Stay Hydrated – start days prior to an event and then consume a lot of water leading up to the event and during an event.
6. Do not arrive to the event until necessary. Stay in cars or a cool place until it is close to the start time.
7. Find ways to periodically move around, use the restroom and find some shade for a few minutes.
8. Remember that age and health can play a major role in handling the heat. Individuals that have a medical condition, are elderly, or very young should consider staying at home during the events until the weather improves. (Varsity Football games will be broadcasted via radio and home games will be live streamed)

Please remember that stadiums do not allow outside beverages in the facilities but CISD facilities will allow you to bring in an empty container or sealed water bottle into events. You are able to fill/refill at the water fill/water fountain stations at the stadium.
