

THE WOODLANDS COLLEGE PARK

... FROM ...
THE PRINCIPAL

The CISD School Board passed Cell Phone Guidelines that will go into effect on January 3, 2024. The following is the cell phone guidelines:

- Cell phones and smartwatches may be used respectfully and responsibly before school and after school.
- Cell phones and smartwatches should be set on silent mode and be kept in the designated storage area during class time (cell phone caddy), and should not be visible during instructional time unless directed by a teacher for instructional use. Cell phones should not be used for reward time or free time.
- Cell phones and smartwatches should not be utilized in any area of the building during class time. This includes hallways, offices, restrooms, locker rooms etc. Cell phones and smartwatches should remain in the designated storage area when students leave the classroom during class time.
- Cell phone and smartwatch use during common times (lunch and class change) will be allowed at College Park High School.
- Cell phones and smartwatches should not be used to capture video, audio, or images at school or on the bus unless given permission by campus staff.

Headphones and air pods/ear buds

- Headphone should not be at school for any reason. If they are visible, they will be confiscated.
- Any air pod or ear buds may be worn during phone use times in only 1 ear. The other ear must be able to hear directions given by staff.

Thank you for your help in adhering to the Cell Phone Guidelines.

Giving back and service to others is an important part of the Reveliers drill team.

The Reveliers delivered over 30 blankets to Texas Children's Hospital on Dec 11th. The donated blankets are given to children during their stay.

In addition, the team collected and donated a combined total of 80 toys for the CISD police department and Parker's Packages (a local non-profit organization). The toys were distributed to children in need during the holidays.

MATTHEW YU RECEIVES YOUNGARTS AWARD WITH DISTINCTION FOR ACCOMPLISHMENTS IN VISUAL ARTS

Matthew Yu, a junior at College Park High School and the Academy of Science and Technology program, was awarded the YoungArts Award with Distinction, the highest honor of the organization!

Matthew will participate in a full-paid National YoungArts Week in Miami in January 2024. Following National YoungArts Week, Matthew is eligible to be nominated to become a U.S. Presidential Scholar in the Arts, one of the highest honors given to high school seniors by the President of the United States.

Tardy Policy
Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

DIDD You Know?

Design for Intellectual or Developmental Disabilities (DIDD)

Scan Me!

OUR MISSION

Our mission is to **design and 3D print innovative gadgets** to enable those with an Intellectual or Developmental Disability (IDD) to accomplish daily life activities such as:

Mobility | Dining Hydration | Weather Protection | Independent-Living

We take requests for custom 3D-printed attachments or helpers. **Scan the QR code to submit a project request!**

OUR STORY

Our founder is a high school junior with a strong passion for STEM. Motivated by the challenge her sister faced in transporting crutches while using a wheelchair she, along with a friend, designed a mechanism that allows the crutches to attach to the wheelchair when not in use.

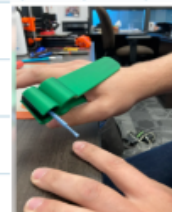

Wheelchair Umbrella Attachment

Wheelchair Cup Attachment

Cane/Crutch Holder

Water bottle opener

Nail Clipper Aid

Utensil Aid

This project inspired her to assist other students and individuals in the community facing similar challenges
