Cavalier News

Chinese Club hosted the annual 5-hour Chinatown field trip on Friday, February 23, visiting the Culture Center of Taipei Economic and Cultural Office in Houston and exploring the surrounding Chinatown restaurants, shops, and cultural stores. The center showcased an informational presentation about the cultural characteristics of Taiwan and explained the significance of Qixi, an important Chinese Holiday similar to America's Valentine's day. The center provided entertaining cultural activities such as paper crane folding, building a paper crane bridge similar to the Magpie bridge in Qixi, as well as a festive competition with team connected footraces. After visiting the cultural center, students were able to explore Houston's Chinatown, an important cultural site for Chinese Americans. Students experienced Chinese food in diverse restaurants, cafes and bakeries that included traditional dishes from numerous parts of China, from Sichuan to Beijing. Additionally, students were also able to explore a variety of Chinese stores, from ancient herbal shops to assorted supermarkets to popular everyday product boutiques, all encompassing different aspects of Chinese culture. Overall, College Park students were able to undergo a rich and immersive experience, deepening their understanding and appreciation of Chinese culture through educational presentations, engaging activities, and firsthand exploration of Houston's vibrant Chinatown.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.
