Course Verification Sheet

Course request verifications have been posted in Parent Access (PAC). Please login to Parent Access (PAC) to view your student's course requests by clicking on Student Plans and then the Course Requests tab. We ask that you review the course requests with your student and verify that they are accurate. Please review your alternates in your 4 year plan to assure they are in the order of preference.

Course Requests Access

1. Login to the Parent/Student Access Center
2. Select Student Plans
3. Select Course Requests

Advanced Course Agreement Process and Access (Students taking an advanced course)

The Advanced Course Agreement must be signed in order for the student to remain registered for any advanced course(s). Failure to complete the ACA electronically will result in the advanced course(s) being removed from your student's course requests and 4-year plan prior to the next course request verification. Instructions for electronically signing the Advanced Course Agreement are the following:

1. Login to the Parent Access Center
2. Select the Student Plan Drop Down
3. Select Four-Year Plan

Click on the red bar which is at the top of the screen (Course Agreement for Advanced Courses for Plan Year "X") or under course request, click on the Blue Bar below the identified courses. If you do not want to approve the course(s), email your child's counselor to have them removed from the advanced course(s).

Watch the Advanced Course Agreement Video

If your student selected an advanced course that is different from the course for which he/she was advised, you and your student will be required to view an Advanced Course Agreement video that corresponds to the advanced course through CANVAS. Videos and information regarding these videos will be sent to you by March 8, 2024.

All ACAs must be signed and videos must be viewed prior to March 28, 2024

Changes to the Course Verification Sheet

If you find an error in the course requests or would like to make a change, please email your student's high school counselor the request and she/he will make the change in your student's 4-year plan. The change should show up in your student's 4-year plan within 3 school days.

UPCOMING EVENTS

March 29—April 1 –Easter Break

April 9—STAAR Testing (English 1/School Day SAT)

Senior Meeting in Auditorium—10:15am (Late arrival)

DEBATE

College Park debate team competed for most of spring break with huge success. We competed at 2 State tournaments with students achieving accomplishments never seen from College Park.

At the TFA State tournament each event had over 130 students and the following students made it past preliminary rounds.

Domestic Extemp- Bailey Fischer Quarterfinalist

International Extemp - Sarah Synek Quarterfinalist

Impromptu - Sorina Southern, Olivet Ojajuni Quarterfinalists

Duo Interpretation - Kiersten Andino and Lucy Garcia 8th place

Sarah Synek - 3rd Place Policy Speaker out of 168 Students

The success did not stop there when we traveled to Austin for the UIL CX Debate State Championship. We had two teams qualify for this tournament with the team of Olivet Ojajuni and Bailey Fischer going 2-2 on the first day and barely missing the cut. Sarah Synek and Jessie Merriwether advanced to the second day of competition and made it all the way to the semifinal round where they finished 3rd place in the State of Texas at the UIL Meet. CP Speech and Debate will continue its run at the UIL District Spring Meet Tournament on April 3rd where we currently have a 30 point lead for the Speech District Championship.

WE NEED YOUR HELP

Testing season is quickly approaching for our

students. Could you please help us by donating **AAA batteries?** We use these for calculators for students during testing and reviews. If you choose to use Amazon, they can ship directly to us, or they can be dropped off in the front office. Thank you for your generosity and help!

Cavalier News

The CavBots (#7492) have been working hard as, since January 6, they have been busy designing, building, wiring, and programming their competition robot. They first competed in Katy the weekend of March 1, being selected to the 8th Alliance and making it to the Semifinals.

Then, over Spring Break, they continued to make modifications to their robot and competed a second time, now in Fort Worth, the weekend of March 16. They continued problem-solving through technical issues and were selected to the 2nd Alliance and placed 3rd overall with teams from Heath and Richardson.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

RHYTHM-N-BLUE SHOW CHOIR

A summer tradition for 19 years!

Believe it or not, summer will be here before we know it! Now is the time to get your student ready to attend Camp Singalier, CISD's very own summer music camp, close by at The Woodlands College Park High School. This camp has been approved by Conroe ISD, so you know it is the very best in a fun and educational camp for your child!

Camp Singalier website: <http://cavalierchoir.com/>

Sponsored by the acclaimed Rhythm-n-Blue of the College Park Choir Department, Camp Singalier is designed for grades K – 8. Using a variety of exciting activities, your child will learn to sing, dance, and perform songs. As parents, you are invited to see the results of the week's accomplishments with a spectacular performance of entertainment featuring all the camp participants in the College Park High School Auditorium, complete with professional stage lighting and sound!

Rhythm-n-Blue members will lead and assist in all the awesome activities of Camp Singalier. The Rhythm-n-Blue show choir is a very select group of 11th and 12th grade students who are outstanding performers in singing and dancing. Rhythm-n-Blue performs at many civic and school events, and their repertoire spans the best of Broadway and popular hits as showcased in their concerts featured exclusively at College Park to their award-winning performances at state choral competitions such as the Madrigal Festival in Dallas and San Antonio.

Please support this Conroe ISD camp, which is our ONLY fundraiser to purchase costumes and music for Rhythm-n-Blue. By attending our camp, you help us fund this valuable program as we continue to promote music and the arts, not only in Conroe ISD schools, but also in our outreach to the community.

23-24 Theatre Productions

Congratulations to the UIL One Act Play company as they continue on "The Miraculous Journey of Edward Tulane".
