## Course Verification Sheet

Course request verifications have been posted in Parent Access (PAC). Please login to Parent Access (PAC) to view your student’s course requests by clicking on Student Plans and then the Course Requests tab. We ask that you review the course requests with your student and verify that they are accurate. Please review your alternates in your 4 year plan to assure they are in the order of preference.

### Course Requests Access

1. Login to the Parent/Student Access Center
2. Select Student Plans
3. Select Course Requests

### Advanced Course Agreement Process and Access (Students taking an advanced course)

The Advanced Course Agreement must be signed in order for the student to remain registered for any advanced course(s). Failure to complete the ACA electronically will result in the advanced course(s) being removed from your student’s course requests and 4-year plan prior to the next course request verification. Instructions for electronically signing the Advanced Course Agreement are the following:

1. Login to the Parent Access Center
2. Select the Student Plan Drop Down
3. Select Four-Year Plan

Click on the red bar which is at the top of the screen (Course Agreement for Advanced Courses for Plan Year “X”) or under course request, click on the Blue Bar below the identified courses. If you do not want to approve the course(s), email your child’s counselor to have them removed from the advanced course(s).

### Watch the Advanced Course Agreement Video

If your student selected an advanced course that is different from the course for which he/she was advised, you and your student will be required to view an Advanced Course Agreement video that corresponds to the advanced course through CANVAS. Videos and information regarding these videos will be sent to you by March 8, 2024.

*All ACAs must be signed and videos must be viewed prior to March 28, 2024*

### Changes to the Course Verification Sheet

If you find an error in the course requests or would like to make a change, please email your student’s high school counselor the request and she/he will make the change in your student’s 4-year plan. The change should show up in your student’s 4-year plan within 3 school days.

## Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

**There will be NO food deliveries accepted by any outside vendor.** Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.
