Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by

any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

Cavalier News

One of our robotics teams here at college park, Texas Torque, had the honor to compete at the District Championship competition for Texas. There were 85 teams split into two divisions. Texas Torque was on the Mercury division and ended qualifications at rank 9 out of 42.

After qualifications we were the second pick of the rank 4 team to compete in the playoff matches. Unfortunately, we were knocked out during round 4 / 5 of playoffs. Even though our district championship run came to an end a little earlier than we were hoping, the students gained a lot of insight and are ready to give it their all-next week at the world championship!

We also won two awards at District Champs. Our first award was the safety award, which congratulates our team due to us handing out safety cards to all the teams and putting safety first. This award also celebrates our safety captain, Victoria Velasquez, because of all the work she has done to not only make sure our team is safe, but that all teams are safe when working with robots and heavy machinery. Our Second award was the innovation in control award which celebrates an innovative control system or application of control components – electrical, mechanical or software – to provide unique machine functions.

Due to our performance at District Champs, we are ranked 13 / 189 competing teams in the entire district of Texas (which includes all Texas teams and even some from New Mexico). We have an amazing robot, and the team put in a lot of time, effort and stress during the competition. If you know any students on the following list, please congratulate them as we make our final preparations for the world competition next week!

Aathmika Rathnakumar , Alina Ko, Anish Bhattacharyya, Aryan Khandelwal, Mason Pai, Can Tataker, Chase Gomez, Jared Welch, Daphne Welch, Davis Jenney, Dhiraj Musale, Jacob Daniels, Logan Maningas, Maeve Cox, Matthew Pan, Micah Clarke, Nick Woravka, Noah Ralph, Omar Afzal, Owen Horn, Prachi Natoo, Ricardo Victorio, Rithvika Pradeesh, Rumeth Pathirana, Satvik Maggavi, Shreyas Vatts, Siddharth Jain, Sivang Hari Nair, Sofia Esterellas, Sophie Bevins, and Victoria Velasquez Anderson.

CAMP SINGALIER RHYTHM-N-BLUE SHOW CHOIR A summer tradition for 19 years!

Believe it or not, summer will be here before we know it! Now is the time to get your student ready to attend **Camp Singalier**, CISD's very own summer music camp, close by at The Woodlands College Park High School. This camp has been approved by Conroe ISD, so you know it is the very best in a fun and educational camp for your child!

Camp Singalier website: <http://cavalierchoir.com/>

Sponsored by the acclaimed Rhythm-n-Blue of the College Park Choir Department, Camp Singalier is designed for grades K – 8. Using a variety of exciting activities, your child will learn to sing, dance, and perform songs. As parents, you are invited to see the results of the week's accomplishments with a spectacular performance of entertainment featuring all the camp participants in the College Park

High School Auditorium, complete with professional stage lighting and sound! Rhythm-n-Blue members will lead and assist in all the awesome activities of Camp Singalier. The Rhythm-n-Blue show choir is a very select group of 11th and 12th grade students who are outstanding performers in singing and dancing. Rhythm-n-Blue performs at many civic and school events, and their repertoire spans the best of Broadway and popular hits as showcased in their concerts featured exclusively at College Park to their award-winning performances at state choral competitions such as the Madrigal Festival in Dallas and San Antonio.

Please support this Conroe ISD camp, which is our ONLY fundraiser to purchase costumes and music for Rhythm-n-Blue. By attending our camp, you help us fund this valuable program as we continue to promote music and the arts, not only in Conroe ISD schools, but also in our outreach to the community.

Camp Singalier is a Show Choir Day Camp for current K-8th grade students

Hey there all you Conroe Star fans!

This past Friday and Saturday, the Conroe Stars competed at the Area 6 Special Olympics Area Track Meet in College Station.

The Conroe Stars had 7 relay teams leave from 8 of the high school campuses (9th campuses included) travel to College Station to show off their relay skills. Lots of medals were won! The relay teams and coaches got back to Conroe at 10:00pm. Then had to meet the bus the next morning at 5:30 am, to travel back to College Station with 20 more of their teammates, as they competed in their individual competitions. We are very proud of all the athletes! Their hard work has paid off. The Conroe Stars had 32 athletes qualify for the Texas Special Olympics STATE Track Meet in San Antonio, May 16-19. They will be competing at Hero Field, which is next to Morgan's Wonderland!
