Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

There will be NO food deliveries accepted by

any outside vendor. Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

Please help us to congratulate our students who competed for the first time in the 60th Texas French Symposium. The students competed in academic events such as poetry recitation, prose reading, and extemporaneous speaking along with artistic events like music and art. The CP team took 7th place out of 25 schools.

CP made it to 16 semi-final rounds, 17 final rounds, 13 students placed in 20 events, all art participants placed, as did all the Experienced and 9th grade participants. Juliet Bohn won the most places (6) and Lily Chartrand earned the most points for the team (23).

We are very proud of the entire team. It takes a lot of courage to stand before a judge and speak another language. The team was very supportive of each other. Come compete in French with us next year!

A summer tradition for 19 years!**

Believe it or not, summer will be here before we know it! Now is the time to get your student ready to attend **Camp Singalier**, CISD's very own summer music camp, close by at The Woodlands College Park High School. This camp has been approved by Conroe ISD, so you know it is the very best in a fun and educational camp for your child!

Camp Singalier website: <http://cavalierchoir.com/>

Sponsored by the acclaimed Rhythm-n-Blue of the College Park Choir Department, Camp Singalier is designed for grades K – 8. Using a variety of exciting activities, your child will learn to sing, dance, and perform songs. As parents, you are invited to see the results of the week's accomplishments with a spectacular performance of entertainment featuring all the camp participants in the College Park

High School Auditorium, complete with professional stage lighting and sound! Rhythm-n-Blue members will lead and assist in all the awesome activities of Camp Singalier. The Rhythm-n-Blue show choir is a very select group of 11th and 12th grade students who are outstanding performers in singing and dancing. Rhythm-n-Blue performs at many civic and school events, and their repertoire spans the best of Broadway and popular hits as showcased in their concerts featured exclusively at College Park to their award-winning performances at state choral competitions such as the Madrigal Festival in Dallas and San Antonio.

Please support this Conroe ISD camp, which is our ONLY fundraiser to purchase costumes and music for Rhythm-n-Blue. By attending our camp, you help us fund this valuable program as we continue to promote music and the arts, not only in Conroe ISD schools, but also in our outreach to the community.
