

# ***WELCOME TO THE WOODLANDS COLLEGE PARK HIGH SCHOOL 2024-2025***

**Commitment, Pride, Honor, Success**

## **[Principal Video Message](#)**

## **School Start-Up Information**

### **Beginning of School**

The first day of school is August 14, 2024. All students will report directly to their homeroom on the first two days of school. Homeroom lists will be posted on our website by Monday, August 12, 2024. The regular bell schedule will be adjusted to accommodate homerooms during the first two days of school. All students will be able to receive their books (if any) and schedule before school starts at orientations. Students who were unable to attend orientation will receive their books during the first week of school. All students will receive a new copy of their schedule in their homeroom on the first day of school. Please note that all lockers are assigned at request. Students are allowed to use backpacks, but all items, including the backpack, must have the ability to be stored under a student desk. No items are to be in the classroom aisles.

### **Student Orientations**

Students will have the opportunity to obtain their schedule and textbooks, register for parking, and get their ID (all students will receive a new ID) prior to the start of school. We highly recommend that all students participate in this important event.

The following are the dates:

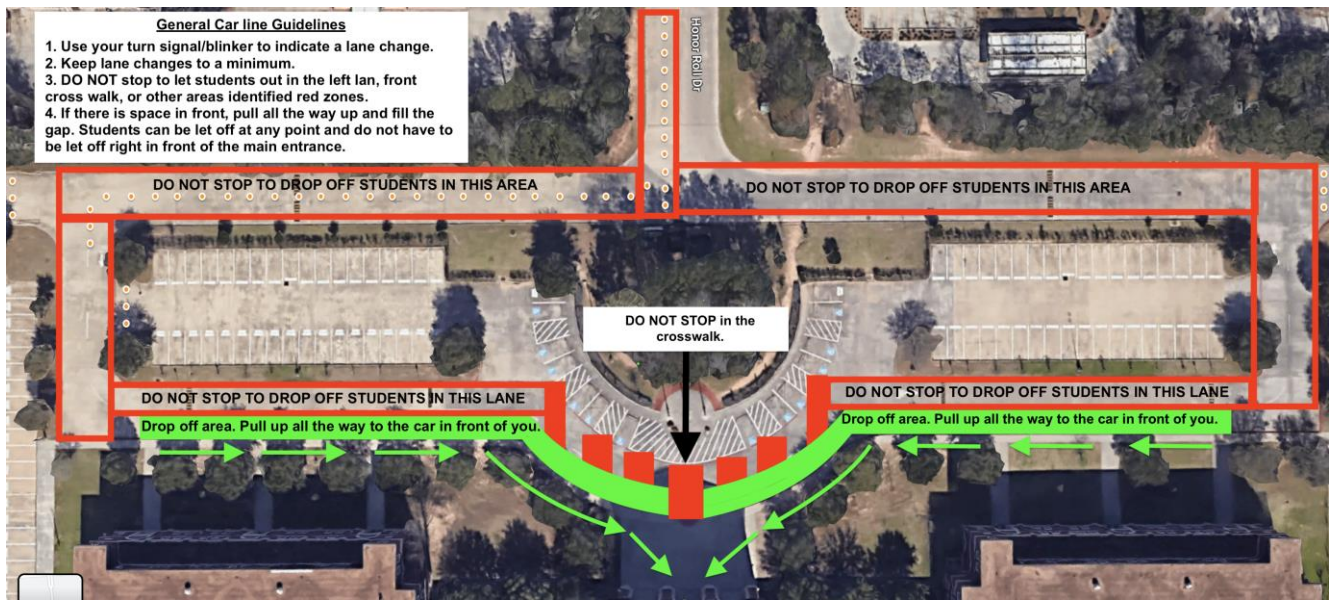

<b>August 1</b>	9am-3pm	All Students 9-12
<b>August 8</b>	5pm-7pm	Open Orientation

### **Camp Cavalier (9<sup>th</sup> grade and new students)**

**Camp Cavalier**, August 1, 2024, is designed for both incoming freshman class and new students to introduce them to the campus, meet the administration and counselors, participate in a variety of activities, pick up schedules, and experience College Park. This time is for our students to learn all the Cavalier traditions, such as chants, school song, and cheers. We will also have a carnival for students to eat, play games, and learn about the variety of clubs and organizations we have on campus. Camp Cavalier is scheduled from 5:00 pm – 8:00 pm. The cost is \$25 (pre-registration includes a T-shirt) until **July 20<sup>th</sup>**. Payments can be made on the webstore, <https://conroeisd.schoolcashonline.com/>

The cost after **July 20<sup>th</sup>** will be \$25 (no shirt) and must be paid through school cash online.

**Camp Cavalier for Parents**, will take place simultaneously in the auditorium from 5 p.m. to 6 p.m. Meet the Principal, Lead Counselor, and PTO President as they guide you through “Tips for a Successful Transition to High School.”

**Student drop-off/pick-up/Busses/Parking**

It is vital that all parents and students follow the directions online to minimize traffic issues. Student drop-off/pickup is located in the front of the building. All cars must enter the main entrance (Honor Roll Drive).

The bus drop-off/pickup is at the back of the building, with the busses entering Fellowship Drive (West Entrance). Cars should not be driven on the bus drop-off/pickup roads for any reason. Bus route information will be available online in late July or early August. If you have questions concerning routes and their arrival/departure times, please visit the CISD website or call Transportation at 832-592-8800. Students should not be dropped off to walk to school from the businesses in front of the school. It is not safe and causes delays in drop-off traffic.

Student drivers will enter the student parking lot from Achievement Drive (East Entrance). Please see the Parking and Driver’s Safety Course <http://twcp.conroeisd.net/student-helpful-links/> for information regarding student drivers. All drivers are reminded to leave early and be patient each day to minimize issues.

Note that you cannot access Chick-fil-A from Honor Roll Drive. Please enter using the College Park Drive or the Achievement Drive entrances. Remember that the businesses in front of the school are not locations for pick-up or drop-off. The parking lots are for their customers, and they reserve the right to restrict access to two cars from their lots. **Please remember that once a student arrives on campus, they are not allowed to leave. If they visit a food establishment by the school, they need to do that before arriving on campus.**

**Health Information**

**Immunization Requirements & CISD Medication Policy**

Students must have physician records documenting a completed series of immunizations as follows: poliomyelitis, diphtheria, and tetanus (series of three each with the last one given after the age of four years); Tdap Booster due 10 years after last DPT; mumps, measles/rubella, and rubella (two doses after age one); varicella/chickenpox vaccine or parent documented disease and Hepatitis B series of three. If you have been notified that your student is due for a Tdap booster during the summer months, please have a physician verify the copy and have it ready to turn in at orientation or before. You may also turn it into the front desk at TWCP. In addition, incoming 9th thru 12th graders need to have two doses of the Varicella vaccine after age one/or a history of the disease, two doses of the Hepatitis A vaccine, and one dose of Meningococcal Vaccine (Menactra, MCV4) after the 11th birthday.

A parent or guardian must check all prescription and over-the-counter medication at the clinic. All medications must be in their original container, and the clinic must have a signed parent permission form to administer the medication. Prescription medication must have the student’s name on the prescription label with directions for administration of the contents. Over-the-counter medication must be current by expiration date, within the recommended dosage range for the student as directed on the label, and in containers of 25 or less due to space limitations. Students are not allowed to carry medications (including

vitamins, herbal supplements, diet pills, caffeine pills, etc.) with them while at school, store them in their lockers, or carry them home on the school bus. Medication will be accepted beginning the afternoon of August 5, 2024.

### **Physicals**

Please know that students cannot participate in an activity (athletics, band, JROTC, cheerleading, Reveliers, etc.) without having a physical on file with the athletic trainer's office. Please make sure that this is completed prior to the start of any activity. If you need a physical form, please obtain one from the front office, athletic office, athletic training room, or online.

### **Breakfast /Lunch**

There are four lunches, each offering full plate lunches and a la carte selections. Drink machines are also available during lunch and after school. Currently, Breakfast prices are \$2.00 full price (\$.30 reduced) for students, and lunches will be \$3.20 (\$.40 reduced). A la carte prices vary depending on item selection. For more information, please visit the child nutrition website: <http://childnutrition.conroeisd.net/> Pre-payments can be made to your student's account online.

**A student's lunch is determined by their 5<sup>th</sup> period class.** Lunch schedules will be posted throughout the building. Please refer to them for the specific lunch schedule.

### **Parking/Driver's Safety Course**

Only junior and senior students are eligible to park on campus. All student drivers must complete the Driver's Safety Course, complete all of the information in the parking permit application (including all vehicles and insurance information), and pay for the parking permit (\$75) before a parking tag is issued. Incomplete applications will not be considered until all information is provided, the safety course is complete, and the payment has been made. Any missing information will delay issuing a parking tag and risk parking availability. The online registration will begin July 15th for juniors and seniors only. <http://twcp.conroeisd.net/student-helpful-links/>.

The driver's safety course can be accessed and taken online through the TWCP website beginning July 15th and closing on August 2nd for the initial parking placement. We will use a random draw system to assign parking spots based on sharing and classification.

We will reopen the parking website on August 7<sup>th</sup> at 5 p.m. for late student registration.

Students will be able to pay for the parking permit online through School Cash Online.

Parking permits will be distributed on August 7th from 3:30 p.m. to 5:00 p.m. in the student entrance foyer (Gym or Robotics area).

Please know that the businesses in front of the school are closed for parking during the school day.

**Violators will be towed at the owner's expense. (Yes, even the closed businesses. The property owner has asked us to remind all parents and students. It is \$350+ to get your vehicle back).**

### **Senior Information**

**Senior Dues are \$120** and will increase for the **Spring Semester to \$150**. Senior Class dues are for all senior activities throughout the school year. Dues are to be paid online through [School Cash Online](#). To ensure that you will have a Senior 2025 shirt (Spring shirt with names on it), you must pay dues by **April 4, 2025**. Dues must be paid to attend Prom and the Senior picnic. Please see one of the Senior AP's for more information or if you are having difficulty paying Senior Dues.

#### **Senior Dues Cover:**

Senior Lighting Program	Prom Ticket
Senior T-Shirt (with Senior names)	Senior Picnic
Graduation expenses	Prom Decorations

#### **Senior Dues do NOT Cover:**

Cap, Gown or Graduation Announcements	Prom Date Ticket (non-senior)
Homecoming Ticket	Panoramic Picture
Prom Pictures	GradNight (see PTO website)

**Please note:**

- \*Senior Dues are optional. Seniors do not have to pay any dues to graduate.
- \*Seniors who graduate early (are still considered seniors) and must pay dues to participate in all activities.
- \*An early graduate cannot go as a date to prom. (they are considered a Senior)
- \*Any senior attending prom MUST pay dues.

**General School Information/Policies**

**Attendance**

Attendance at school is vital for student success. We ask that students be at school every day possible. Please schedule trips and other activities on non-school days. If your student has a fever, please keep them at home. Otherwise, we ask that you send them to school. We have a nurse on staff that will evaluate a student’s status and let you know if they need to go home. We estimate that a student’s average will decrease by 1 ½ - 2 pts per absence. The more they attend school the better they will perform. Our goal for the year is to have a 98 percent attendance rate to help maximize students learning and performance. We want students to be as prepared as possible for the next school year, college, or the workforce.

The Texas Education Code requires that students attend at least 90 percent of scheduled school days per semester. The code requires schools to deny credit for students found in violation of this rule. Students will be given an opportunity to regain credit by following a detailed plan outlined by the student’s assistant principal. Failure to complete the plan or continuing to be absent will result in the denial of credit. Please know that attendance is taken in each individual class and credit is determined on a class-by-class basis.

In addition, the Compulsory Attendance law allows schools to file charges against a student and/or parent in truancy court for failure to attend school. The law states that students who miss three days or parts of days in a four-week period may be referred to truancy court. Please know that we will review the reasons for the absences and help develop a plan to remediate future absences. Continual failure to comply will result in the truancy court filing.

Please understand that if a student misses a day of school (excused or unexcused), it still counts towards the 90 percent rule, and based on the excuse, the compulsory attendance rule may apply. If your child has a doctor’s appointment, please have them at school prior to the appointment and/or return to school after the appointment and supply a note from the doctor’s office. The absence will count as an HCP (health care provider). The absence will count as an absence in any category and will not count towards the 90 percent rule.

If a student is absent, the parent should send a note or contact the attendance office within 48 hours of the absence. After 48 hours, the absence will stand for attendance and exam exemption purposes.

We know that school attendance improves students’ grades. We want everyone to perform at the highest possible level and be prepared for the future. Therefore, all Cavaliers must work hard to attend school every day.

**Attendance works:**

The best gift you can give your child is a great education. The best place to get that education is in school.

**Every day, on time.**

- A few absences here and there, even if they’re excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school.
- If missing school is unavoidable, talk to your student’s teachers in advance to create a plan for making up missed work.

### **Bell Schedule (Schedule after the 1<sup>st</sup> 2 days)**

As students arrive in the morning, they may enter the building and wait for the first bell on the 1<sup>st</sup> floor only (in the main hallway or commons)

**First bell:** 7:05 a.m. **Class begins:** 7:15 a.m. **Dismissal:** 2:36 p.m.

#### **Regular Bell Schedule**

**1<sup>st</sup> Period** 7:15 – 8:03

**2<sup>nd</sup> Period** 8:10 – 8:57

**3<sup>rd</sup> Period** 9:04 – 9:51

**4<sup>th</sup> Period** 9:58 – 10:45

**5<sup>th</sup> Period** 10:52 – 12:48

**A Lunch** 10:46 – 11:16      **Class** 11:47 – 12:48

**Advisory** 11:23 – 11:47

**B Lunch** 11:16 – 11:46      **Class** 11:51 – 12:48

**Advisory** 10:52 – 11:16

**C Lunch** 11:47 – 12:17      **Class** 10:52 – 11:47

**Advisory** 12:22 – 12:48

**D Lunch** 12:18 – 12:48      **Class** 10:52 – 11:54

**Advisory** 11:54 – 12:18

**6<sup>th</sup> Period** 12:55 – 1:42

**7<sup>th</sup> Period** 1:49 – 2:36

There is a 7-minute passing period between each class.

Students will participate in CPHS class for 25 minutes during 5<sup>th</sup> period on Wednesdays. The purpose of the CPHS class is to provide students pertinent information, support students as they navigate high school, and provide students skills and tips for success.

Pep Rallies will occur at the end of the day for home football games and other selected dates during the year.

When school is dismissed, students have 10 minutes to get to their bus, car, activity, tutoring, etc. Students are not allowed in the building unsupervised.

### **Tardy Policy**

The tardy policy for the school year will be posted in the [CPHS Student handbook/Addendum](#) and in all classrooms beginning the first day of school. Students will be informed of the tardy policy and other policies and procedures. Please remember that students utilizing personal transportation will be counted as tardy or absent if they arrive late to school. Please ensure that you allow additional time on the first few days of school and any time road conditions may cause delays (weather, construction/traffic, accidents, special events, etc.).

### **Parent/Student Sign-in/Sign-out**

All visitors must enter the building through the front office, regardless of their business on campus. Visitors must sign in/sign out in the front office. All visitors must have a valid driver's license to enter the building and must be scanned into our system. Please note that security cameras monitor the building.

Students will sign-in/out at the attendance office. If your student must leave school early from school, please send a note with your student to be turned in to the attendance office as soon as they arrive at school or call at least one hour ahead of time. This will save you and the school time and effort. Parents must report to the attendance desk to sign their students in/out. To keep the integrity of our testing days (PSAT, STAAR, SAT/ACT, Finals) students will not be released during those testing periods. Students may not be released from class the last 25 minutes of the school day. **We will not release students to take an Uber/Lyft to leave the school campus.**

### **Deliveries**

TWCP will not receive any deliveries from any outside source (flowers, food, etc.) for students. No Food deliveries (DoorDash, Uber eats, GrubHub, etc) will be accepted for lunches and will be sent back with delivery person. We encourage parents to hold their child responsible for bringing items to school for class and their lunch. Natural consequences are the best way to help them become more independent and manage their daily life. Deliveries made by parents will be accepted, but it is the student's responsibility to check at

lunch or between classes for items that have been dropped off. Classes will not be interrupted for the delivery of any item. All items may be dropped off in the front office and will be available for pick-up in the AP office. To ensure student safety, students cannot come to the front office during the school day to pick up an item.

**Grading Policy**

College Park has implemented a common grading system throughout the school; we are using a 5-Point Grading System. Each class will have assignments and assessments assigned to different categories labeled as Formative and Summative. The two different categories will make up the student’s grade based on the level of the course and the percentage for each category. Please see below for the category breakdowns for each level.

1. Level classes will be 30% Formative (Daily/homework) and 70% Summative (Major).
2. Honors classes will be 25% Formative and 75% Summative
3. Dual Credit and Advanced Placement classes will be 20% Formative and 80% Summative

All classes will offer students opportunities to work with teachers to improve their grades. Tutoring, peer tutoring, and other instructional strategies may be suggested. Please visit with your students’ teachers for more information.

College Park has a re-test policy. Teachers will cover the policy as it pertains to their class. We have adjusted the policy so it is appropriate for the course level and meets the students' needs. Please note that there are various ways to adhere to this policy, and each teacher has individual discretion regarding how it will work for their class. Each student must understand how to maximize opportunities to perform at a high level in all classes.

<i>AP &amp; Dual Credit</i>	<i>No retest – unless the PLC decides to offer one</i>
<i>Pre-AP &amp; Honors</i>	<i>1 Retest or 1 cumulative 9 weeks exam (replace lowest summative grade)</i>
<i>Level</i>	<i>2 Retests or 1 Retest and 1 cumulative 9 weeks exam (replace lowest summative grade)</i>

**Dress Code (Respect for yourself and others)**

We expect students to arrive at school dressed appropriately and ready to learn. We do not want any issue to delay this process. We expect shirts to be of appropriate length so that midribs and undergarments are not seen. We also expect shorts/pants/skirts/dresses to be of a length to cover all undergarments as well as extend past the length of a student’s fingertips.

It is essential that school guidelines be such that an atmosphere of learning is created. It is impractical to list every possibility of dress and grooming. It shall be the responsibility of the professional staff to determine the appropriateness of attire for all school occasions. Dress regulations should discourage the extremes and the fads that may lead to distractions of the educational process. Such regulations will provide appropriate standards for the general appearance of students, foster good physical and mental health, and encourage students in appropriate dress habits. The faculty and the administration will enforce the policy governing dress and grooming uniformly. All students are responsible for wearing clothing that contributes to their health and safety as well as those of others. The following policies have been reviewed, enhanced, and approved by a Site Based Advisory Committee. Membership on the committee included students, parents, faculty, and members of the community. Students are required to be clean and well groomed, and their dress must be modest and non-distracting to everyone in the educational community.

As clarification of the previous policy, the following examples of dress are considered inappropriate:

- Extreme hairstyles (i.e., Mohawks, mulit-colored hair, etc.) and/or styles that are disruptive or distracting to the educational process are prohibited.
- Hats/bandanas/hoods and/or headbands (not used to hold back hair) may not to be worn, by boys or girls, inside the building. Students should not have hats/bandanas in their possession during the school day. If brought into the building, they must be stored in the student’s locker or backpack. Hats/Hoods

worn in the building will be taken up and can be claimed by the parents or returned to the student at the end of the school day.

- Sunglasses are not to be worn in the building.
- Dog collars and spikes cannot be worn.
- Blouses or shirts of see-through material without appropriate shirt or blouse underneath are not permitted.
- All shirts/blouses must cover the shoulder and fits snug under the arm so undergarments are not exposed.
- Tops exposing midriffs, back area, or cleavage are prohibited.
- Clothing with pictures/writing that has a double meaning are prohibited.
- Clothing, badges, backpacks, and/or tattoos, which display obscenities, sexual innuendo, depict violence or

weapons, advertise or promote alcoholic beverages, narcotics, tobacco, or other prohibited substances, or items that could be viewed as offensive to others are not permitted.

- Clothing of any type that is shorter than mid-thigh of the individual, whose clothing is in question, is not permitted. Slits on skirts/dresses may be no higher than mid-thigh length. Holes and/or tears in clothing that falls within the mid-thigh rule is prohibited.
- Spandex clothing and leggings including yoga pants are to be worn with outerwear that is at least mid-thigh in length.
- Chains of any length or size (including wallet chains) are not allowed.
- Shorts can be worn all year. The school administration will review the appropriateness of shorts each nine weeks. If it is deemed that there has been disregard of the dress code guidelines outlined earlier in this policy, the privilege of wearing shorts may be revoked.
- Pants are not to sag inappropriately. Pants must fit at the waist.
- Shoes with wheels, rollerblades, skateboards, or scooters are prohibited.
- All students shall wear shoes for health reasons.
- Body piercing that is distracting is inappropriate for school related activities. Gauging of the ears is not allowed. Piercing of the eyebrows, eyelids, forehead, scalp, cheeks, lips, tongue, chin, or neck is prohibited.
- Sleepwear (pajamas, slippers, pillows, blankets) is not permitted for school clothing.
- Trench coats, dusters, ponchos, etc. are not allowed to be worn on campus.

The administrator, in conjunction with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity.

If the student's dress or grooming is objectionable under these provisions, the administrator shall request that the student make appropriate corrections.

A minimum of one after school detention will be assigned for a student out of dress code. If the student refuses to correct the dress code violation, the administrator shall notify the student's parent or legal guardian and request that person make the necessary correction. If both the student and parent or legal guardian refuses, the administrator may take further appropriate disciplinary action. The student may be suspended for a period of time determined by the administrator for violations of the dress code. If the dress code violation cannot be corrected immediately, the student may be placed in ISS until the end of the school day or suspended.

An absence from class due to inappropriate dress or grooming will be counted as unexcused. Repeated violations may result in additional appropriate disciplinary action.

The In-School Suspension (ISS) class has specific dress requirements as part of that disciplinary assignment. Dress parameters are outlined in the Discipline Management section of this publication. Students will be reminded about the requirements at the time of the ISS assignment.

Dress Code regulations for students are in effect for all student activities.

### **Electronic Devices**

Electronic device use (including cell phones) at College Park High School will be permitted ONLY in the common areas of the campus (hallways, cafeteria, & courtyard), before school, during passing periods, during the student's lunch period, and after school only. **Use of electronic devices in any area of the**

**building during instructional time is strictly prohibited.** Instructional time is defined as the time period between the tardy bell and the dismissal bell for all class periods.

All classrooms will follow the CISD Electronic Device policy. All classrooms and office areas will have a pocket system in place where all students will keep their electronic devices during class in the off position. This will reduce the distractions in class and provide a better learning environment for all students. Students that do not cooperate with the policy or uses an old phone so they keep theirs on them will be referred to the office and a parent conference with administration will be held. Students must follow the teacher's guidelines in regards to its use and may not use the device for any other purpose during that time period; this would include, but not be limited to texting, phone calls, unauthorized web browsing, and social networks. Use of electronic devices during appropriate times is a privilege. Please cooperate with the policy and staff member if you are not following the policy.

### Self-Advocacy

We strongly encourage students to deal with and solve their own issues. We ask parents and students to first talk with the person closest to the issue (i.e. teacher). Parents/students should then proceed to the Counselor/Assistant Principal and then to the Associate Principal if you feel that the issue is still unresolved.

### Parent Access (PAC)/Electronic Communication

Please take the time to register for a PAC account on the main CISD web page <https://pac.conroeisd.net/>. Registering allows us to e-mail you information periodically to help keep you informed, and parents will have time access to attendance and grades. Please make sure that your email and phone number is up to date with the school and on your PAC account. Up to date contact information will allow you to have the parent newsletter e-mailed to you. TWCP can also now be found on Facebook, or you can follow us on Twitter.

## **Other School Information**

### School Website

Please take the time to visit the TWCP website at <http://twcp.conroeisd.net/>. It contains a variety of helpful information. All announcements are posted, and a parent newsletter is emailed every week.

### School Athletics/Clubs/Activities

Club and activity information will be announced for students during the first few weeks of school. Numerous activities will begin before school starts or as it begins. It is important for students to make sure that they are aware of deadlines and dates of events in order to participate. **Please note that all students wishing to try out for or participate in a sport/band must have a CISD physical form completed and signed by an M.D. before the tryout takes place.** Physical forms can be accessed on-line through the CISD website under Parents/Students and on-line forms. The announcements will be posted in the commons and on the school webpage for convenience.

### Activity and Club Information:

A variety of clubs and activities will begin as school starts. ***Please check out our school activities page on our website at: <http://twcp.conroeisd.net/campus-life/clubs-activities/> for future announcements and newsletters concerning meetings and opportunities.***

### Athletic and Team Information:

All athletic and team information can be found on our school website at <http://twcp.conroeisd.net/athletic-department/>

## PTO

TWCP PTO is very active and plays an important role at College Park. All parents/staff are encouraged to support our school and join the PTO to help expand the educational opportunities for our students. Strong parental support will continue to make TWCP even better so please help if you can. Please check out the PTO [website](#) for information concerning the many volunteer opportunities available.

## TWCPHS – Administration

### **Principal:**

*Robert MacFarlane*

### **Academy of Science and Technology Headmaster:**

*Dr. Debra Creel*

### **Associate Principals:**

*Chris Allen – Curriculum*

*Clint Holden – Operations*

*Melanie Davis- Student Services/Instruction*

### **Assistant Principals:**

*Robert McKnight     A-CARB*

*Lee Koslosky         CARD-FA*

*Adrian Cortez        FE-HOU*

*Brandy Robbins       HU-MART*

*Justin Boleyn         MARU-PIP*

*Alexandra Lammers PIR-SM*

*Ashley Johnson      SN-Z*

### **Counselors:**

*Kasey Lucas             Lead Counselor*

*Mary Lou Florian        College and Career*

*Laura Hollis             Freshman     A-KU*

*Sarah Kelly              Freshman     KW-Z*

*Cindy Doud              Counselor     A-CARB*

*Amanda McDowell      Counselor     CARD-FA*

*Sheri Rutledge          Counselor     FE-HOU*

*Reagan Locke            Counselor     HU-MART*

*Jennifer Cardenas        Counselor     MARU-PIP*

*Jaime Slabaugh          Counselor     PIR-SM*

*Cyril Pajestka            Counselor     SN-Z*
